

A Place Where Every Child Matters

Amesbury CE Primary School

*Dear Parents, Carers, Staff,
Children and Governors*

Firstly, let me thank all of the parents who have given such encouraging feedback from the events last week. It is always helpful to hear the valued opinions from all members of our school community, but the positive comments with regards to Remembrance, Children in Need and parents' evening has made this all seem extra special! (And, of course, I completely agree with every single one of you!) It's been great to see the children enjoying their learning again this week. I challenged them all at the start of the week to 'try their best in everything that they do' and it is evident from walking around the school that the pupils achieved this with gusto! I particularly enjoyed hearing all about how we can look after our planet through conservation in Year 6 this week, the children were particularly keen to think of ways to "save the turtles!"

FIGSBURY FRIENDS

This week Figsbury Class enjoyed writing their own stories in special expanding books. The children then shared these the Year R children who loved having some 'big' visitors to read with them from the other side of the school.

FABULOUS PHONICS

Reception classes have enjoyed having visits from parents this week to join them for their phonics learning. We hope parents enjoyed visiting the school too and look forward to welcoming you back again in the future.

CHRISTMAS DINNER

The school Christmas Dinner will take place on Friday 13th December, which is the same day as Christmas Jumper Day. We look forward to feeling festive as we enjoy celebrating this special time of year together.

P.T.A. MEETING

We cannot wait for the upcoming PTA Christmas Fayre. There will be a PTA meeting on Wednesday 27th November in the school hall to finalise the plans for this. Please do come along if you are able to.

PLAYGROUND

You may have noticed that part of our playground has been cordoned off this week. This is due to the anti-slip surface becoming worn. We are evaluating how best to fix the slippery slope as the weather turns colder and wetter and thank you for your patience whilst this part of the playground is out of use.

Golden Assembly Awards
