6<sup>th</sup> July 2020

Dear Parents / Carers,

I hope this letter finds you well. I would just like to remind once again that in line with the other schools in Amesbury we intend to revert to home learning for all pupils for the last 3 days of term. Therefore the final day in school, for pupils currently attending, will be Friday July 17<sup>th</sup>. This will allow staff to facilitate a remote farewell to their current class, introduce themselves to their new class, remotely, and facilitate as effective a transition as possible in the current climate, particularly for those not in school. We will obviously continue our transition activities into September, which will of course, include our newest members in Reception.

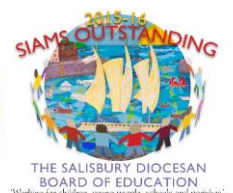

Please find attached the allocated Teachers and Teaching Assistants for next year. It is fantastic to be able to report that we have no teachers leaving us this summer. Finalised class lists will be confirmed over the next couple of days and you will be informed as soon as this information is available.

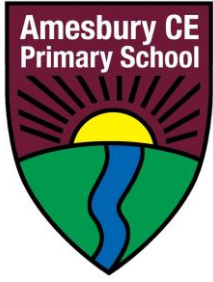

We are continuing to work on our plans for September and I can once again confirm we will be open for all students in all year groups, however we are still exploring the viability of opening before and after school provision, as this may not be possible where it will involve mixing children from all bubbles. I will keep you informed and will ensure a decision is made before the end of term.

For those currently attending school the full and most up to date details of how the school will operate is on the school website under the 'Covid' tab, this includes plans for pick up and drop off, risk assessments, changes to the behaviour policy and the operational plans for the running of the school. This section is reviewed and updated regularly. If your questions cannot be answered within these documents, please do not hesitate to contact the school. Please note if national guidance, staffing levels, or pupil numbers in specific areas change, this may result in a change to our provision, and we will keep you fully informed if this is the case. In relation to how the school will operate in September, we are still awaiting guidance, however we have plans in place for a number of eventualities.

The government has confirmed that for those families who normally have free school meals, they will also be available throughout the summer holidays. You can find out more detail on the [COVID Summer Food Fund](#) published on 25<sup>th</sup> June. We will be providing further details on how this will be managed at our school very soon.

In line with updated government guidance, if students currently in school in years R,1 and 6 do not take up their place or make contact with the school to confirm their plans to do so then we will offer these places to another pupil and they will not subsequently be able to take up their place. If you have been allocated a space and will no longer be using it, please ensure that you inform school at the earliest opportunity to allow it to be reallocated. This applies only to those children currently in school and up until the end of this term.

With only 2 weeks now before the end of term, I would like to congratulate you on your efforts in what has been the most unusual year.

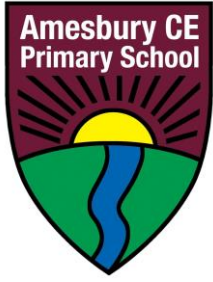

Kind regards,

A handwritten signature in cursive script, appearing to read 'Dan Jeffries'.

Dan Jeffries

Interim Headteacher
