Thursday 4th February, 2020

Dear Year 2 Parents and Carers,

It is with great sadness that I write to inform you that Mrs Hanslip will sadly be leaving us. As many of you will know, Mrs Hanslip's husband works in the RAF and has recently been offered a lifetime opportunity to work with the Flying Red Arrows, based in Lincoln.

Since September 2019, Mrs Hanslip has been a valued member of the Year 2 team and our school family and I am sure you will agree that she will be a great loss to the school. Regrettably, as much as she too loves being part of Amesbury CE Primary School, the commute from Lincoln to Wiltshire is just too far!

Although Mrs Hanslip will not physically be attending school after half term, she will continue to be work with the Year 2 team supporting the remote learning provision until at least 8th March or the end of lockdown if it is after this date so you will still be able to join her for Zoom sessions and share learning with her until then.

I am sure that you all join me in thanking Mrs Hanslip for her dedication to our school up to now and to wish her and her family every happiness as they settle to a new life in Lincoln.

Yours sincerely,

Mr Robinson
Interim Headteacher
